

INDEX

SUBJECTS

A

- Abstracts of the Transactions of the American Laryngological Association, 1955 Scientific Sessions,— 982-1071
- Adenosem, The Control of Post-operative Adenoid Bleeding with,—Owings, C. B. 21
- A Histochemical Study of the Cochlea,—Plotz E., and Perlman, H. B. 291
- Allergy in Its Relation to Tonsils and Adenoids,—Craft, K. L. 322
- Amplifier Systems, Speech, The Role of Transient-Induced Reverberations in Electro-Acoustical,—Victoreen, J. A. 1032
- An Inquiry Into Current Concepts of Visual Speech Reception (Lip-Reading),—Keaster, J. 80
- Arteriovenous Aneurysm of the Internal Carotid Artery and Cavernous Sinus, Treated by Ligation of External and Internal Carotid Arteries,—Seaward, J. A. 18
- Asthma and Sinus Disease: The Problem of Foci of Infection,—Goldman, J. L.; Stegal, S.; Arnold, L. M.; Bloom, S. M.; Freeman, J., and Herschberger, C. 152
- Atresia, Traumatic Tracheal,—Hankel, R. W. 337
- Auditory Function as Related to the Complaint of Dizziness,—Kos, C. M. 711
- Auditory Function, Clinical Evaluation of Presbycusis on the Basis of Different Tests of,—Pestalozza, G., and Shore, I. 1136

- Aural Secretions, Macrophages in, and Their Clinical Significance,—Ojala, L., and Palva, T. 670

B

- Bacteria, Antibiotic Resistant, Otitic Complications with,—Silcox, L. E. 170
- Binaural Hearing: Another Approach,—Bocca, E. 1164
- Blebs, External Umbo, Non-Inflammatory Lipoid Vesicles of the Tympanic Membrane,—Armstrong, B. W. 817
- Bleeding, The Control of Post-operative Adenoid, with Adenosem,—Owings, C. B. 21
- Bronchus, Rupture of the,—Sheehy, J. L., and Hopeman, A. 973

C

- Calculi, Diagnosis and Treatment in Parotid,—Blair, J. R. 848
- Cancer of External Auditory Meatus,—Miller, D. 448
- Cancer of the Larynx, Surgical Pathology of,—Ogura, J. H. 967
- Cancer of the Paranasal Sinuses, The Surgical Treatment of,—Frazell, E. L. 557
- Carcinoma of the Larynx; Classification and Results of Treatment,—Lindsay, J. R., and Ironside, W. M. S. 1117
- Cerumen, Normal, Micro-Chemical Studies on. I. The Lipid and Protein Content of Normal Cerumen As Affected by Age and Sex,—Chiang, S. P.; Lowry, O. H., and Senturia, B. H. 927

Children, Rhinology in, Resume of the Literature for 1954,—Wishart, D. E. S.; Whaley, J. B., and Wallace, W. B.....735

Clinical Applications of Recruitment and Masking,—Harbert, F., and Sataloff, J. A.....113

Clinical Evaluation of Presbycusis on the Basis of Different Tests of Auditory Function,—Pestalozza, G., and Shore, I.....1136

Cochlea, A Histochemical Study of the,—Plotz, E., and Perlman, H. B.....291

Cold, Common, Experimental Approach to the Study of the,—Gohd, R. S.....124

Combined Defects of the Cosmetic Profile. Corrective Rhinoplasty with Simultaneous Repair of Simple Retruded Chin,—Rish, Benito B.....9

Congenital Deafness, The Atypical Effect of a Hearing Aid on One Patient with,—Harford, E. R., and Markle, D. M.....970

Congenital Dysphagia. Neurogenic Considerations,—Cohen, S. R.....515

Cysts and Fistulas of the Neck, Lateral Vestigial,—Proctor, B.....355

D

Deafness, Adaptation in Various Groups of, Studies on Per-Stimulatory,—Palva, T.....829

Diagnosis and Treatment of Parotid Calcull,—Blair, J. R.....848

Diffuse External Otitis; Pathogenesis and Treatment No. 2,—Senturia, B. H.....313

Disease and Stress,—Selye, H.....500

Diverticulum, Pharyngoesophageal, and Technique of Its Surgical Treatment,—Jackson, C. L., and Norris, C. M.....546

Dizziness, Auditory Function As Related to the Complaint of,—Kos, C. M.....711

Dysphagia, Congenital: Neurogenic Considerations,—Cohen, S. R.....515

E

Ear Drum, The Blue: Report of a Case in Which the Treatment was Radical Mastoidectomy,—Simonton, K. M.....342

Ear, Middle, Surgical Approach for So-Called Glomus Jugulare Tumors of the Middle,—Shambaugh, G. E., Jr.....185

Ears, Protruding. The Modern Concept of Surgical Correction of,—Withers, B. T.....1172

Epistaxis—Evaluation of Surgical Care,—Silverblatt, B. L.....431

Epithelium of the Larynx, The Development of the,—Hopp, E. S.....475

Esophagitis, Reflux,—Taylor G. D.....589

Experimental Approach to the Study of the Common Cold,—Gohd, R. S.....124

External Umbo Blebs. Non-Inflammatory Lipoid Vesicles of the Tympanic Membrane,—Armstrong, B. W.....817

F

Fistulas and Cysts of the Neck, Lateral Vestigial,—Proctor, B.....355

Footplate, Stapedial, Restoration of Hearing in Otosclerosis by, Mobilization of the Fixed. An Analysis of Results,—Rosen, S., and Bergman, M.....224

G

Gland, Pituitary, Trans-Sphenoidal Approach to the,—Furstenberg, A. C., and Blatt, I. M.....420

Globus,—Mohun, Meade.....73

INDEX.

V

H

- Head and Neck Conditions, Radioisotopes in the Diagnosis and Treatment of,—Jaffe, H. L., and Zager, W. J.....53
- Headache, Sinusitis and Mother Goose,—King, J. T.....462
- Hearing Aid, The Atypical Effect of a, on One Patient with Congenital Deafness,—Harford, E. R., and Markle, D. M.....970
- Hearing, Binaural, Another Approach,—Bocca, E.1164
- Hearing, Restoration of, in Otosclerosis by Mobilization of the Fixed Stapedial Footplate. An Analysis of Results,—Rosen, S., and Bergman, M.....224

I

- Infant, Respiratory Disturbances in the Newborn and Young,—Michelson, R. P.....786
- Intracranial Complications of Otitis Media as Modified by Sulfu Drugs and Antibiotics—Clinical Aspects, Part II, Symposium: Intracranial Complications of Otitis Media and Mastoiditis in the Antibiotic Era,—Nielsen, J. M.....47

L

- Laryngocele and Laryngopyocele,—Chessen, J., and Luter, P.....1057
- Laryngopyocele and Laryngocele,—Chessen, J., and Luter, P.....1057
- Larynx, Carcinoma of the: Classification and Results of Treatment,—Lindsay, J. R., and Ironside, W. M. S.....1117
- Larynx, Surgical Pathology of Cancer of the,—Ogura, J. H.....867
- Larynx, The Development of the Epithelium of the,—Hopp, E. S.....475

Lateral Vestigial Cysts and Fistulas of the Neck,—Proctor, B.....355

Lesions, Central Auditory, Speech Discrimination in, — Walsh, Theo. E., and Goodman, Allan.....1

Lesions, Modification of the Pathology of Otitic Intracranial, by Antibiotic Preparations, Part I, Symposium: Intracranial Complications of Otitis Media and Mastoiditis in the Antibiotic Era,—Courville, C. B.....31

Lesions of the Larynx, Organic, Produced by Mis-Use of the Voice,—Ferguson, G. B.....327

Ligation of External and Internal Carotid Arteries, Arteriovenous Aneurysm of the Internal Carotid Artery and Cavernous Sinus Treated by,—Seward, J. A.....18

Lip-Reading, An Inquiry Into Current Concepts of Visual Speech Reception,—Keaster, J.....80

Lymphoblastoma in Otolaryngology,—Weaver, D. F.....207

M

- Macrophages in Aural Secretion and Their Clinical Significance,—Ojala, L., and Palva, T.....670
- Malignancy of Head and Neck, Two-Million-Volt Radiation for Treatment of,—Lathrop, F. D.; Smedal, M. I.; Trump, J. G.; Wright, K. A., and Granke, R. C.568
- Mandibular Joint Dysfunction, Masseter Muscle Tremor. An Important Factor in, — Costen, J. B.1129
- Masseter Muscle Tremor: An Important Factor in Mandibular Joint Dysfunction, — Costen, J. B.1129
- Meatus, Auditory, Cancer of the External,—Miller, D.448
- Membrane, Tympanic, Thermal Effects on the,—Schein, G. C.....1043

- Micro-Chemical Studies on Normal Cerumen. I. The Lipid and Protein Content of Normal Cerumen As Affected by Age and Sex,—Chiang, S. P.; Lowry, O. H., and Senturia, B. H.....927

Modification of the Pathology of Otitic Intracranial Lesions by Antibiotic Preparations, Part I, Symposium: Intracranial Complications of Otitis Media and Mastoiditis in the Antibiotic Era,—Courville, C. B.....31

Mother Goose, Headache and Sinusitis,—King, J. T.....462

N

Neck Dissection, Secondary Radical,—O'Keefe, J. J.....136

Neck, Lateral Vestigial Cysts and Fistulas of the,—Proctor, B.—355

Nutrition and Related Problems,—Jones, I. H.; Muckleston, H. S., and Hilger, J. A.....1091

O

Organic Lesions of the Larynx Produced by Mis-Use of the Voice,—Ferguson, G. B.....327

Otitic Complications with Antibiotic Resistant Bacteria, —Silcox, L. E.....170

Otitis, Diffuse External. Pathogenesis and Treatment No. 2,—Senturia, B. H.....313

Otitis Media, Intracranial Complications of, as Modified by Sulfa Drugs and Antibiotics— Clinical Aspects, Part II, Symposium: Intracranial Complications of Otitis Media and Mastoiditis in the Antibiotic Era,—Nielsen, J. M.....47

Otitis Media, Secretory, Requiring Mastoidectomy,—Hitschler, W. J.....722

Otitis Media—Then and Now,—Davison, F. W.....142

Otolaryngology, Lymphoblastoma in,—Weaver, D. F.....207

P

Pharyngeal Surgery and Pharynx, Review of the Available Literature on, for 1954,—LeJeune, F. E., and Lynch, M. G.....1005

Pharyngoesophageal Diverticulum and the Technique of Its Surgical Treatment,—Jackson, C. L., and Morris, C. M.....546

Pharynx and Pharyngeal Surgery, Review of the Available Literature on, for 1954,—LeJeune, F. E., and Lynch, M. G.....1005

Pituitary Gland, Trans-Sphenoidal Approach to the,—Furstenberg, A. C. and Blatt, I. M.....420

Presbycusis,—Schuknecht, H. F.....402

Presbycusis, Clinical Evaluation of, on the Basis of Different Tests of Auditory Function,—Pestalozza, G., and Shore, I.....1136

R

Radioisotopes in the Diagnosis and Treatment of Head and Neck Conditions,—Jaffe, H. L., and Zager, W. J.....53

Recruitment and Masking, Clinical Application of,—Harbert, F., and Sataloff, J. A.....113

Reflux Esophagitis,—Taylor, G. D.....589

Research, An Area for—Ventriloquism,—Kodman, F., Jr.....1065

Respiratory Disturbances in the Newborn and Young Infant,—Michelson, R. P.....786

Restoration of Hearing in Otosclerosis by Mobilization of the Fixed Stapedial Footplate. An Analysis of Results,—Rosen, S., and Bergman, M.....224

Resume of the Literature for 1954 on Rhinology in Children —Wishart, D. E. S., Whaley, J. B., and Wallace, W. B.....735

Reverberations, The Role of Transient-Induced in Electro Acoustical Speech Amplifier Systems,—Victoreen, J. A.....1032

Review of the Available Literature on the Pharynx and Pharyngeal Surgery for 1954,—LeJeune, F. E., and Lynch, M. G.1005

Rhinitis, Vasomotor and Some Rhinological Syndromes,—Chessen, J., and Philpott, I. W.....85

Rhinology in Children, Resume of the Literature for 1954,—Wishart, D. E. S.; Whaley, J. B., and Wallace, W. B.....735

Rhinoplasty, Corrective, with Simultaneous Repair of Simple Retruded Chin. Combined Defects of the Cosmotic Profile,—Rish, B. B.....9

Rupture of the Bronchus,—Sheehy, J. L., and Hopeman, A. R.....973

S

Scar Revision, Tracheostomy,—Davis, H. C.; Musser, B., and Glasson, L. G.....276

Secondary Radical Neck Dissection,—O'Keefe, J. J.....136

Secretory Otitis Media Requiring Mastoidectomy,—Hitschler, W. J.722

Sinus Disease and Asthma; The Problem of Foci of Infection,—Goldman, J. L.; Siegal, S.; Arnold, L. M.; Bloom, S. M.; Freeman, J., and Herschberger, C.152

Sinuses, Paranasal, Wooden Foreign Bodies in the,—Lineback, M.270

Some Rhinological Syndromes and Vasomotor Rhinitis,—Chessen, J., and Philpott, I. W.....85

Speech Discrimination in Central Auditory Lesions,—Walsh, Theo. E., and Goodman, Allan.....1

Stapes Mobilization, Trans-Incudal Stapedolysis for, in Otosclerotic Deafness (Under Audiometric Control). A Surgical Technique for Improvement of Hearing in Otosclerosis Is Described, Utilizing New Methods in the Stapes Approach,—Goodhill, V.693

Stress and Disease,—Selye, H.....500

Studies on Per-Stimulatory Adaptation in Various Groups of Deafness,—Palva, T.....829

Subacute Thyroiditis,—McGovern, F. H.199

Surgical Approach for So-Called Jugulare Tumors of the Middle Ear,—Shambaugh, G. E., Jr.....185

Surgical Pathology of Cancer of the Larynx,—Ogura, J. H.....867

SYMPOSIUM: The Intracranial Complications of Otitis Media and Mastoiditis in the Antibiotic Era:

I. Modification of the Pathology of Otitic Intracranial Lesions by Antibiotic Preparations,—Courville, C. B.....31

II. Intracranial Complications of Otitis Media as Modified by Sulfa Drugs and Antibiotics — Clinical Aspects, —Nielsen, J. M.....47

T

Temporal Bone Surgery, The Management of Soft Tissues in,—McAskile, K.935

The Atypical Effect of a Hearing Aid on One Patient with Congenital Deafness,—Harford, E. R., and Markle, D. M.....970

The Blue Ear Drum: Report of a Case in Which Treatment Was Radical Mastoidectomy,—Simonton, K. M.....342

The Control of Post-Operative Adenoid Bleeding With Adrenosem,—Owings, C. B.....21

- The Development of the Epithelium of the Larynx,—Hopp, E. S.475
- The Management of Soft Tissues in Temporal Bone Surgery,—McAskile, K.935
- The Modern Concept of Surgical Correction of Protruding Ears,—Withers, B. T.1172
- The Role of Transient-Induced Reverberations in Electro-Acoustical Speech Amplifier Systems,—Victoreen, J. A.1032
- The Surgical Treatment of Cancer of the Paranasal Sinuses,—Frazell, E. L.557
- Thermal Effects on the Tympanic Membrane,—Schein, G. C.1043
- Thyroiditis, Subacute,—McGovern, F. H.199
- Tonsils and Adenoids, Allergy in Its Relation to,—Craft, K. L.322
- Tracheobronchial Involvement Secondary to Pulmonary Tuberculosis. The Role of the Bronchoscopist in Its Management, Zurik, S.628
- Tracheostomy Scar Revision,—Davis, H. C.; Musser, B., and Glasson, L. G.276
- Trans-Incudal Stapedolysis for Stapes Mobilization in Otosclerotic Deafness (Under Audiometric Control). A Surgical Technique for Improvement of Hearing in Otosclerosis Is Described, Utilizing a New Method in the Stapes Approach,—Goodhill, V.693
- Trans-Sphenoidal Approach to the Pituitary Gland,—Furstenberg, A. C., and Blatt, I. M.420
- Traumatic Tracheal Atresia,—Hanckel, R. W.337
- Tuberculosis, Pulmonary, Tracheobronchial Involvement Secondary to. The Role of the Bronchoscopist in Its Management,—Zurik, S.628
- Tumors, Surgical Approach for So-called Glomus Jugulare, of Middle Ear,—Shambaugh, G. E., Jr.185
- Two-Million-Volt Radiation for Treatment of Malignancy of the Head and Neck,—Lathrop, F. D.; Smedal, M. I.; Trump, J. G.; Wright, K. A., and Granke, R. C.568
- V
- Ventriloquism—An Area for Research,—Kodman, F., Jr.1065
- Voice, Organic Lesions of the Larynx Produced by Mis-Use of the,—Ferguson, G. B.327
- W
- Wooden Foreign Bodies in the Paranasal Sinuses,—Lineback, M.270
- AUTHORS
